As a matter of convenience to the members, we have prepared this **proposed** calendar in order that we may plan ahead. As usual, you will receive an announcement of all events in which details will be set forth, and, if necessary, any date changes. Your monthly newsletter will keep you up to date of all activities. **HELP, HELP, HELP** is the key to successful functions. If you are interested and can spare time to help in any capacity in any of the Club functions, please contact the Manager or the Committee in charge either by telephone (508)-228-2299, by a note, or in person. Let's all pull together to make this another great year for the Anglers' Club. **Friday night hors d'oeuvres are put on by volunteers. Please help by singing up for a night.**
