

NANTUCKET ANGLERS' CLUB

NEWSLETTER – FEBRUARY 2007

JANUARY RECAP

January did not have anything slated on the calendar, but we did hold a few events at the Club. The Billfish Tournament monies that were donated for the Children were put to use with a Safe Boating Course held here at the Club. It was for children only and we had 16 participate. The instructional was given by both the Coast Guard Auxiliary and the Coast Guard Station Brant Point. It was a great course and would recommend it to anyone. Special thanks should go out to Maurice Gibbs, Senior Chief Sheila Lucey, and the entire crew of Station Brant Point. We also held a Cribbage Night which was only attended by 8 people. Julie Reinemo was the victor. Thanks to all who participated.

The Trivia Night was a bust where only 8 people showed for that also.

These events that are specially planned are for the membership when there isn't much going on. It is very discouraging when the attendance is so poor. A lot of work goes into these events and could really use your support.

FYI: Sunday Suppers are now just like Hors D'oeuvres where the Club contributes \$150.00 toward the meal. Anything above that amount spent is up to the members doing that night. The fee for dinner is \$7.50 per adult, and \$3.00 per child.

The Sunday Supper served on February 4, 2007 will be served at 5:00 p.m. instead of 6:00 due to the Superbowl. They are serving Sirloin Tips, noodles, salad, and dessert. The game will be shown at the Club as usual with snacks, fun, etc....
