### SEPTEMBER RECAP

Club Appreciation Day was once again a great success- everyone had fun! The Lema Machado Fish in didn't see enough participants for it to be held. They are hoping to make some changes for next year. The Bob Fletcher Tournament saw 3 teams- all placing: 1<sup>st</sup> – Phil Albertson and Will Gorman, 2<sup>nd</sup> – Scott Whitlock and Tre Wullschleger, and 3<sup>rd</sup> – Roger Stolte and Jeff Lema. Thanks for fishing (isn't that why we're all members?). The Kathy Kelliher Tournament is being postponed until Oct. 4 and 5 due to the horrible weather.

F.Y.I. – The Board of Directors will be working on the calendar soon for 2009. Anyone that has any dates for the calendar must have them in by Oct. 31<sup>st</sup>.

\*\*\*Dues will be due in a few short months, and the Board would like to remind everyone to update any address changes with the Club so you don't find yourself on the wrong side of the door in 2009. If we can't find you, you won't get your renewal form. If you have not fulfilled your volunteer duties at the Club for 2008, you will not receive a dues renewal form until you have squared up with the Club.
