FOODSERVICE AT THE CLUB

It's that time of year again where the kitchen is transitioning to the winter mode. We are looking to see what the membership would like to have available to them in the winter. Let me know at the Club or via email your suggestions to make it what you want. A few ideas are maybe lunches on the weekends, a couple of night's dinners, Sunday brunch, etc..... We want to hear from you.
Dinners are officially over as of the 1st of October, but lunches are continuing through the end of the month. We would like to get together a Sunday Football crowd and have food, squares, etc.... This month, the Patriot's are playing the 1st 3 weeks at 4:15 on Sundays. Why not enjoy the game at the Club!!! (This is not easy to promote after the loss last week, but always the optimist)!
